Mrs. O. L. Chivers,
Dublin, Ga.

Dear Clyde;

I have your favor of Feb. 18th. I am just catching the next train for New York and will give your letter a reply in detail as soon as I return.

I regret to hear that your Father is in such bad condition, however Earnest had told me he wasn't doing so well recently. Give him my most sincere regards and good wishes, likewise to all of the family as well as yourself. I note what you say in regard to a former letter, I don't recall having received a former letter, however I was away from home so much last year it might have come and gotten into the files without my knowledge.

Sincerely,

JCC:C
